

folio.fyi - Pokémon set symbols checklist

Every English expansion symbol from Jungle (1999) to Crown Zenith (2023), then the three-character set codes printed since Scarlet & Violet (2023), as of October 6, 2026. Tick the sets you collect.

folio.fyi/blog/pokemon-set-symbols

WHERE THE MARK SITS

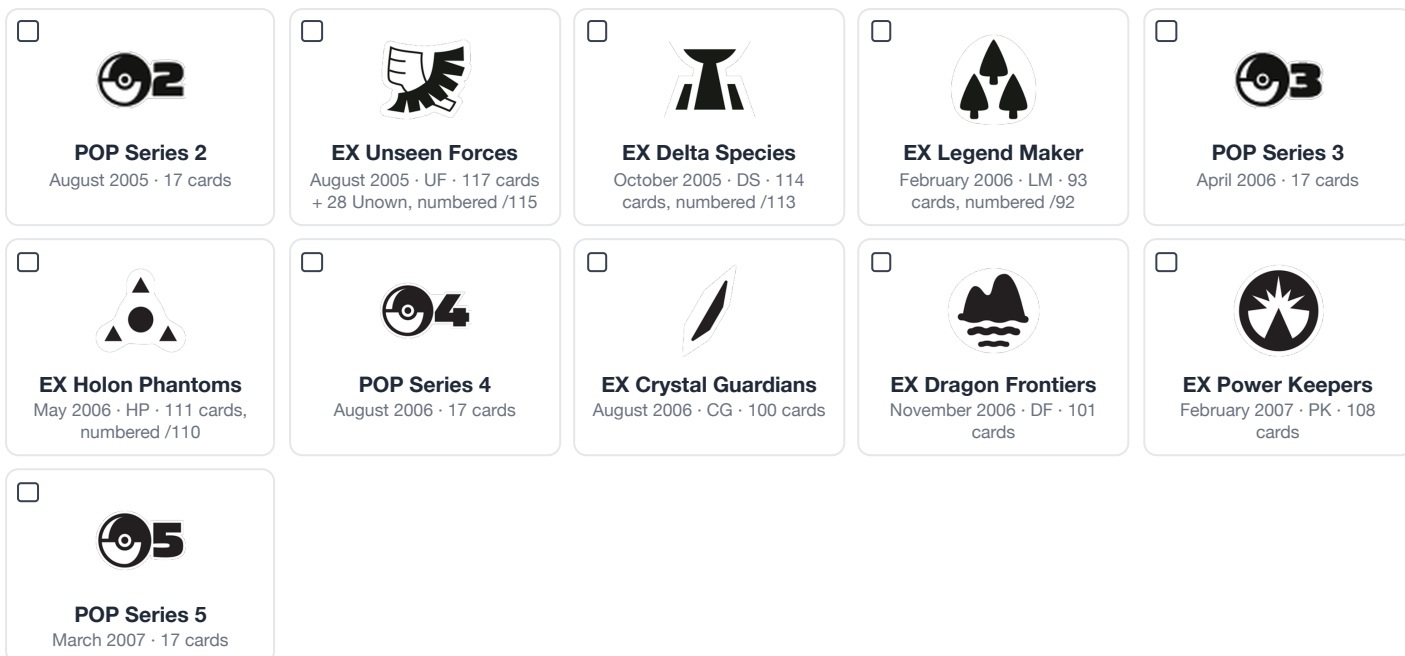

Years	Sets	Where to look
1999 to 2002	Jungle to Legendary Collection	Under the artwork, at its right edge; on Trainer cards, at the bottom right of the text box
2002 to 2003	Expedition Base Set to EX Dragon	Bottom right, just above the card number
2004 to 2016	EX Team Magma vs Team Aqua to Evolutions	Bottom right, after the card number and the rarity mark; along the right edge on the sideways BREAK cards of 2015 and 2016
2017 to 2023	Sun & Moon to Crown Zenith	Bottom left, just before the card number; from Sword & Shield (2020) the regulation mark sits between them
Since 2023	Scarlet & Violet onward	Bottom left: a three-character code in a black box, such as SVI, between the regulation mark and the number
